Old Admiral

Brandy

Logo review: First-party brand imagery is available on Radico Khaitan's official brand page; canonical logo asset URL still needs capture.

official brand page found; logo asset pending

DESCRIPTION

Old Admiral is an Indian brandy from Radico Khaitan, an Indian Made Foreign Liquor producer. Radico lists the brand as a regular-category brand and dates its launch to 2002; the reviewed brand material does not publish a grape source or brand-specific distillation method.

TASTING NOTES & STYLE

Radico's published Old Admiral copy describes a rich profile and an aromatic finish, but it does not provide a technical tasting grid. Keep the catalogue style as brandy until a current product label supplies more detail.

HOW TO ENJOY & PAIR

Serve a measured pour in a small brandy glass or with a little water. Pair it with tandoori chicken, seekh kebab, or dark chocolate; check BevOry for city-level prices and availability.

Regal Talon

Whisky

Logo review: First-party brand portfolio material is available from Radico Khaitan; canonical Regal Talon logo asset URL still needs capture.

official portfolio evidence found; logo asset pending

DESCRIPTION

Regal Talon is an Indian whisky in Radico Khaitan's domestic portfolio. Radico describes it as a semi-deluxe whisky; its accessible portfolio material does not state the grain recipe, still type, maturation period, or bottling strength.

TASTING NOTES & STYLE

A brand-specific aroma and palate note is not published in the reviewed Radico portfolio material. BevOry should keep the style label at whisky and reserve flavour detail for a verified product record.

HOW TO ENJOY & PAIR

Start with a small neat pour, then add water or soda to taste. Tandoori tikka, masala peanuts, and smoked paneer make direct pairings; check BevOry for city-level prices and availability.

Whytehall

Brandy

Logo review: Radico Khaitan's official product page exposes first-party Whytehall brand imagery; a stable standalone logo URL still needs capture.

official product page found; logo asset pending

DESCRIPTION

Whytehall is an Indian brandy from Radico Khaitan. Radico's current domestic portfolio lists Whytehall under brandy; the reviewed public material does not publish its full technical sheet, age statement, or bottling strength.

TASTING NOTES & STYLE

The reviewed producer material does not provide a technical aroma and palate grid for the current bottle.

Keep the catalogue style at brandy and attach flavour detail to a verified product record.

HOW TO ENJOY & PAIR

Use a rocks glass for a small neat pour or a controlled highball. Pair it with tandoori chicken, peppery kebabs, or aged cheddar; check BevOry for city-level prices and availability.

Pluton Bay

Rum

Logo review: Radico Khaitan's official portfolio and annual-report material show first-party brand evidence; canonical logo asset URL still needs capture.

official portfolio evidence found; logo asset pending

DESCRIPTION

Pluton Bay is an Indian premium rum from Radico Khaitan. The producer's published portfolio describes it as a dark rum made from aged cane juice and neutral spirits; the current public material does not state the cane source, age, or bottling strength.

TASTING NOTES & STYLE

Radico describes a spicy, dark-brown style with a smooth texture. That wording is retained as the brand-level style note; product-specific sweetness and proof remain unfilled until verified.

HOW TO ENJOY & PAIR

Serve a measured pour over ice or with a dry ginger mixer. Pair it with seekh kebab, grilled pineapple, or dark chocolate; check BevOry for city-level prices and availability.

05

Ankahi

Liqueur

Logo review: Radico Khaitan's official 2025 portfolio update identifies Ankahi Zaffran; canonical brand logo asset URL still needs capture.

official portfolio evidence found; logo asset pending

DESCRIPTION

Ankahi Zaffran is a spiced liqueur introduced in Radico Khaitan's 2025 product updates. The producer identifies the product name and category, but the reviewed public material does not publish its base spirit, saffron content, botanical list, or bottling strength.

TASTING NOTES & STYLE

The public launch material does not provide a formal aroma or palate note. Keep the style as a saffron-spiced liqueur and do not add a sweetness or spice intensity claim without a label or product sheet.

HOW TO ENJOY & PAIR

Pour a small measure chilled or use it as a controlled cocktail ingredient. Pair it with pistachio kulfi, dark chocolate, or salted nuts; check BevOry for city-level prices and availability.

06

Morpheus Blue

Brandy

Logo review: Radico Khaitan's official Morpheus Blue product page exposes first-party bottle imagery; a standalone logo asset URL still needs capture.

official product page found; logo asset pending

DESCRIPTION

Morpheus Blue XO Premium Brandy is an Indian XO blended premium brandy from Radico Khaitan. The producer's product page names it as an XO blend and publishes a profile built around dried fruit, nuts, oak, vanilla, and caramel; it does not publish the grape source or distillation method.

TASTING NOTES & STYLE

The producer lists intense fruity and floral aromas, raisin, prune, and nuts on the nose, followed by a heavy

honeyed palate with matured oak, vanilla, and caramel. The finish is described as long and smooth.

HOW TO ENJOY & PAIR

Use a small tulip or brandy glass and taste it neat before adding water. Pair it with dark chocolate, roasted nuts, or a mild fruit dessert; check BevOry for city-level prices and availability.

Four Seasons

Wine

Logo review: Grover Zampa's first-party site confirms its wine operations and logo; Four Seasons-specific logo asset URL still needs capture.

parent winery evidence found; brand logo asset pending

DESCRIPTION

Four Seasons is an Indian wine brand from Four Seasons Wines, whose business and associated brands were sold by United Spirits to Grover Zampa Vineyards and Quintela Assets in 2019. The reviewed first-party material confirms the Indian wine business, but does not provide a current Four Seasons varietal sheet or single production method.

TASTING NOTES & STYLE

Do not assign one flavour profile to the whole range. Four Seasons tasting notes should be written from the exact colour, grape, vintage, and label; those product-level details are not published in the reviewed current pages.

HOW TO ENJOY & PAIR

Serve the exact wine at its label temperature in a clean wine glass. Tandoori fish, paneer tikka, tomato pasta, and roast chicken cover useful starting points; check BevOry for city-level prices and availability.

Zinzi

Wine

Logo review: Grover Zampa is the current first-party wine business reference; a verified Zinzi logo asset URL is not yet available.

brand technical and logo asset verification pending

DESCRIPTION

Zinzi is an Indian wine label associated with the Four Seasons wine business now connected with Grover Zampa's portfolio history. The reviewed first-party pages do not publish a current Zinzi grape, winery method, vintage range, or bottling strength, so those details are intentionally omitted.

TASTING NOTES & STYLE

No current first-party Zinzi tasting sheet was found in the reviewed material. Keep the catalogue style at wine and use the exact product label before adding grape, aroma, acidity, or body language.

HOW TO ENJOY & PAIR

Serve the exact bottle chilled or slightly cool according to its label. Pair it with grilled paneer, light pasta, salads, or mild coastal seafood; check BevOry for city-level prices and availability.

Vallonne

Wine

Logo review: Vallonne's official estate site is confirmed; canonical standalone logo asset URL still needs capture.

official estate page found; logo asset pending

DESCRIPTION

Vallonne Vineyards is an Indian boutique wine estate founded by Shailendra Pai in 2009 at Kavnai, Igatpuri, near Nashik. Its official portfolio lists Chenin Blanc, Riesling, Viognier, Cabernet Sauvignon, Merlot, and Syrah, plus a Cabernet Sauvignon rosé and a dessert wine made with sundried grapes.

TASTING NOTES & STYLE

The range runs from aromatic white grapes such as Riesling and Viognier to estate-grown red grapes including Cabernet Sauvignon, Merlot, and Syrah. The dessert wine's sundried-grape method gives it a separate, sweeter style from the still wines.

HOW TO ENJOY & PAIR

Serve white and rosé wines chilled, and give the reds a little air in a wide wine glass. Try them with malai chicken tikka, tandoori crab, Thai curries, or mushroom dishes; check BevOry for city-level prices and availability.

Charosa

Wine

Logo review: Charosa's official vineyard domain is identified; the live page did not expose a stable logo asset URL during this review.

official domain found; logo asset pending verification

DESCRIPTION

Charosa Vineyards is an Indian wine estate in Charosa village, in Nashik's Dindori sub-region, spread across about 230 acres. Its published portfolio has used three tiers—Pleasures, Selections, and Reserve—and its production material identifies open-tank fermentation; the estate's documented grapes include Tempranillo, Cabernet Sauvignon, Shiraz, Sauvignon Blanc, and Viognier.

TASTING NOTES & STYLE

The range is bottle-specific: Reserve Tempranillo is described with ripe red-fruit, vanilla, coconut, and chocolate notes; Reserve Cabernet Sauvignon with ripe fruit, black olive, vanilla, and balanced tannins; and Selection Viognier with floral and apricot notes. Check the exact vintage for the final aroma and body description.

HOW TO ENJOY & PAIR

Serve Charosa whites chilled and let Reserve reds breathe in a wide wine glass. Try the whites with paneer tikka or grilled fish, and the Reserve Tempranillo with lamb rogan josh; check BevOry for city-level prices and availability.
